

Veriflo Product Offerings

Partek Products:

MV/PV-10 Series

- MV-1 Series** - PTFE Manual Stop Cock Valves
- MV-6 Series** - PTFE Manual Ball Valves
- MV-8 Series** - PTFE Manual Sampling Valves
- MV-10 & PV-10 Series** - 1/4" PFA Manual & Pneumatic Diaphragm Valves
- MV-11 & PV-11 Series** - 1/2" PFA Manual & Pneumatic Diaphragm Valves
- MV-16 & PV-16 Series** - 3/4" PFA Manual & Pneumatic Diaphragm Valves
- MV-12 & PV-12 Series** - 1" PFA Manual & Pneumatic Diaphragm Valves
- MV-20 & PV-20 Series** - PTFE Manual & Pneumatic Slurry Valves
- MV-14 Series** - PFA Manual Stop Cock Valves
- MV-13 Series** - PFA Manual Needle Valves
- PV-1 Series** - PTFE Miniature Pneumatic Diaphragm Valves

PV-20 Series

- CV-1 Series** - PTFE Check Valves
- RV Series** - PFA Relief Valves
- SV-2 Series** - PFA Solenoid Valves

Custom Assemblies

Custom Assemblies

- PR-08 & DPR-08 Series** - PTFE Forward Pressure Regulators
- BR-08 & DBR-08 Series** - PTFE Back Pressure Regulators

FM Series

- FM Series** - PTFE Flowmeters
- GP/GPIL Series** - PFA Gauge Protectors
- SG-1 Series** - PFA Spray Guns
- VV Series** - PTFE Venturi Vacuum Generators
- SMU-1 Series** - PTFE Inline Static Mixer

SG-1 Series

- TS Series** - PFA Thermocouple Sensor Assembly
- PPV Series** - PFA Pressure Vessels

TS Series

- Parflare Series** - PFA Flare Tube Fittings
- Pargrip Series** - PFA Compression Tube Fittings
- Parbond Series** - PFA Fusible Pipe Fittings
- Pipe Series** - PFA NPT Schedule 40 Pipe Fittings
- FG Series** - Electronic Flare Gun
- MFT Series** - Manual Flaring Tool
- NW Series** - Nut Wrench

Parflare Series

- True Union Ball Valves** - PVC & CPVC
- PVC Plastic Pipes & Fittings** - PVC Schedule 40
- PVC Plastic Pipes & Fittings** - PVC & CPVC Schedule 80

959 Series

Instrumentation Process Analyzer (IPA) Products:

- 735 Series** - Two Stage Tied Diaphragm Regulator
- 959 Series** - Single Stage Tied Diaphragm Regulator
- ABP1 Series** - Back Pressure Regulator
- ABP3 Series** - High Sensitivity Back Pressure Regulator
- APR66 Series** - High Pressure Single Stage Regulator
- AVR3 Series** - Steam Heated Vaporizing Regulator
- AVR4 Series** - Electrically Heated Vaporizing Regulator
- BPR50 Series** - High Pressure Back Pressure Regulator
- HF1200 Series** - Single Stage High Flow Regulator
- HFT1200 Series** - Single Stage Tied Diaphragm High Flow Regulator
- HFR900 Series** - Single Stage High Flow Regulator
- HPR800 Series** - Single Stage Low Actuating Torque Regulator
- IR4000 Series** - Single Stage General Purpose Regulator
- IR4200 Series** - Brass Single Stage General Purpose Regulator
- IR5000 Series** - High Sensitivity Single Stage Regulator
- IR6000 Series** - Two Stage General Purpose Regulator
- IR6200 Series** - Brass Two Stage General Purpose Regulator
- MIR700 Series** - Single Stage Compact Regulator
- NPR4100 Series** - Negative Pressure Regulator
- XPR Series** - Single Stage High Pressure Regulator

AVR4 Series

IR4000 Series

IR6000 Series

NV55 Series

- FS190 Series** - Excess Flow Shut-Off Valve
- NV17 Series** - High Pressure Compact Diaphragm Valve
- NV55 Series** - High Flow Compact Diaphragm Valve
- NV70 Series** - High Flow Compact Diaphragm Valve
- VR7 Series** - Pressure Relief Valve

CGA

- LC223S Series** - Gas or Liquid Flow Controller
- SC423XL Series** - Gas Flow Controller

- COSE** - Changerover System
- COSM** - Mini Changerover System

- CGA** - Compressed Gas Fittings and Assemblies

Ultra High Purity (UHP) Products:

BFR5K Series

735W Series - Two Stage Tied Diaphragm Welded Regulator
959W Series - Single Stage Tied Diaphragm Welded Regulator
BFR5K Series - Bulk Gas Regulator

QR4000 Series

HF1200W Series - High Flow Welded Regulator
HFT1200W Series - High Flow Tied Diaphragm Welded Regulator
HFR900W Series - High Flow Regulator
IR4000W Series - Single Stage General Purpose Welded Regulator
IR5000W Series - Single Stage General Purpose Welded Regulator
IR6000W Series - Two Stage General Purpose Welded Regulator
QR4000 Series - Internally Threadless Regulator
QRM Series - Miniature Regulator

TruMotion Series

TruMotion Series - Surface Mount Regulator
SMQRM Series - Surface Mount Miniature Regulator
SMSQ2Micro Series - Surface Mount Regulator
SMTR Series - Surface Mount Tool Regulator
SPR860 Series - Precision High Flow Regulator
SQ Series - High performance Point-Of-Use Regulators

SMSQ2Micro Series

SQ2Micro Series - Miniature Regulator
SQB Series - High Flow Regulator
SQHP Series - High Pressure High Purity Regulator
SQServo Series - Ultra Precision High Flow Regulator

945 Series

830 Series - High Purity Diaphragm Valve
845 Series - High Purity Diaphragm Valve
855 Series - High Purity Diaphragm Valve
870 Series - High Flow High Purity Diaphragm Valve
930 Series - High Pressure Diaphragm Valve
930Y Series - Manifold Valve

SM930 Series

945 Series - High Pressure Diaphragm Valve
945Y Series - High Pressure Manifold Valve
955 Series - High Pressure Diaphragm Valve
955Y Series - High Flow Manifold Valve
970 Series - High Flow High Purity Diaphragm Valve

F9 Series

F9 Series - All Welded Check Valve
SMHT175 Series - High Temperature Surface Mount Diaphragm Valve
SM930 Series - High Flow Surface Mount Diaphragm Valve
SM955 Series - High Flow Surface Mount Diaphragm Valve
VAC100 Series - Vacuum Generator

18 Series

16 Series - High Pressure High Flow Valve
17 Series - High Flow Diaphragm Valve
18 Series - High Flow/Bulk System Diaphragm Valve
500 Series - Single & Duplex Bellows Valve
600 Series - Manual & Pneumatic Bellows Valve
700 Series - High Flow Bellows Valve
935 Series - 1/2" Diaphragm Valve
935T Series - 1/2" Horizontal Cross Valve
935Y Series - 1/2" Diaphragm Valve
CyMax Series - Single & Duplex Diaphragm Valve

700 Series

Modular Gas Stick

P Series - Bellows Valve

Modular Gas Stick

Automatic Butt Weld Fittings

MiniButt Weld Fittings

UltraSeal Fittings

VacuSeal Fittings

VacuSeal Fittings

DISS CGA - High Purity Gas Fittings
